

# Steel Door Models

## 7 model

Steel door models used as flat entrance doors. Sound and heat insulation is provided by the core filling and perimeter gaskets; the interior surface can be produced in any color or finish, independent of the side facing the corridor.

### ABOUT THE MANUFACTURER

Bayrakdoor Çelik Kapı manufactures made-to-measure steel doors at its own factory in Gaziosmanpaşa, İstanbul. With 20 yılı aşkın çelik kapı üretim tecrübesi, more than 1,000 projects have been completed. Doors aren't sold in ready-made sizes: a free on-site survey is carried out, the door opening is measured, and the leaf is built to those measurements. Bayrakdoor Çelik Kapı markası the Turkish Patent and Trademark Office nezdinde 2021/143545 numarasıyla tescillidir (12.10.2021).

### PRE-ORDER AND SITE SURVEY

You can request a quote for any model in the catalog by giving its product code. The site survey is free; a written quote follows the measurement.
